Tuesday 14 March through Thursday 16 March***

National Conference Center (NCC) in Lansdowne, VA

***Your Ticket to Success** Helping Frontline Users Perform their Day-to-Day Jobs*

*****TPOCS and Medical Services Account (MSA) hands-on computer system training will be offered on Monday the 13th and Friday

Tracks:

Track 1: UBU Basic Coding Topics

Track 2: UBU Topics

Track 3: UBO Basic Topics

Track 4: UBO Advanced Topics

Track 5: MSA/Coding Compliance Editor (CCE) Hands-on

Track 6: TPOCS Hands-on

Track 7: MSA Workshop (lecture)

Will Your MTF Benefit From Attending?

- Does your MTF have coding capture forms with outdated codes and/or descriptions?
- Does your MTF periodically receive denials due to coding mistakes or incomplete information on the claim form?
- Does your MTF have physicians who do not understand what must be in the medical record to support their charges?
- Does your MTF feel that at least one of its physicians is under/over coding their services?
- Has your MTF scheduled training for staff on the 2006 CPT, HCPCS II, and ICD-9-CM coding changes?
